Dear Ms. Fink and Mr. Tabak:

Thank you for your correspondence dated May 13, 2022 concerning the May 17 meeting of the PJM Members Committee ("MC"), and specifically, your organization's support for two proposed amendments (08B and 08C) to the endorsed generation interconnection process reform package.

At the May 17 MC, stakeholders did not endorse amendment 08B, while stakeholders did endorse amendment 08C. PJM intends to file the endorsed package, along with these recently endorsed amendments, with the FERC.

We appreciate the efforts of your organization and the PJM stakeholder community for its collective engagement on this important matter.

Sincerely,

Mark Takahashi
