

CIRs for ELCC Resources Monthly Progress Report

January 24, 2022

CIRs for ELCC Resources

Issue Status

The PC Special Session: CIRs for ELCC Resources is discussing and refining solution packages to develop consensus.

Target Completion

The current target is to present a first read at the March 2022 PC Meeting.

Progress Update

At the December 2021 meeting, a refresh of CIR education was provided and package sponsors presented details of their respective packages. PJM requested stakeholder input on specific legal questions and will be reviewing the responses it has received at the January 21, 2022 meeting.
