

# Tech Change Forum Report

MC Webinar  
December 2022

**The Tech Change Forum** is a group for PJM and its members to coordinate, consolidate and share information about upcoming changes to PJM Tools and applications.

The forum is for individuals who work hands-on or are responsible for their organizations technology used for PJM Tools and applications.

**The purpose of the meetings are to:**

- Help members prepare for planned changes
- Review the design of tool features
- Share prioritization and timing of when changes will be implemented

*Stakeholders are asked to review Tech Change Forum materials with their IT teams and vendors to prepare for upcoming PJM changes*
