MC Webinar

December 19, 2022

- The Probate Court hearing is scheduled for February 2023, and assuming approval, PJM would not receive the payment from the Estate until late February/early March 2023
- Any market participants receiving a payment/credit will not see it post earlier than in the February 2023 bill (issued in early March) or the March 2023 bill (issued in early April)
- PJM continues to evaluate the most efficient way to issue the payment/credit (single distribution preferred) and will coordinate with the Office of Enforcement as required
- PJM will continue to update stakeholders
