

Reactive Power Compensation Task Force Monthly Progress Report

January 23, 2023

Reactive Rate Process

Target Completion

The expected completion date for this task force is Q22023 (TBD).

Progress Update

January 6 meeting:

- Stakeholders discussed the December 2022 Poll results. There were 589 responses total which included 17 unique responses for non-members, 37 responses for members and 11 responses for both members and non-members.
- There are currently five proposals being considered. The RPCTF is working towards moving the packages to the MIC for a vote in late Q1/early Q2 2023.

Action Requested

- Proposal owners were asked to continue finalizing and potentially narrowing packages for the February 6 RPCTF meeting
