

## MARKET IMPLEMENTATION COMMITTEE (MIC)

### Mission

The Market Implementation Committee (MIC) is established by and reports to the Markets and Reliability Committee of the PJM Interconnection, L.L.C. (PJM).

The MIC initiates and develops proposals to advance and promote competitive wholesale electricity markets in the PJM region for consideration by the Markets and Reliability Committee.

### Responsibilities

The MIC shall comply with all applicable Codes of Conduct or other functional requirements of FERC and shall:

1. Prepare proposals for Markets and Reliability Committee consideration on assigned topics that require revisions to PJM's Operating Agreement, Open Access Transmission Tariff, or Manuals.
2. Provide advice and recommendations to the Markets and Reliability Committee and PJM on Market(s) issues.
3. Perform such other functions, directly or through delegation to a subcommittee or task force reporting to the MIC, as may be directed by the Markets and Reliability Committee.
4. Create subcommittees or task forces when needed to assist in carrying out the duties and responsibilities of the MIC.
