Impacted Manual Sections:

Reason for Change:

Summary of the changes:

- 1) Update section 10.4 to clarify how load reductions for emergency energy settlements are calculated and to determine rules for energy settlements when hourly emergency and economic event overlap.
- 2) Update section 10.2 to provide additional clarification on load reduction capability, business segment and generation attributes provided by CSPs.
- 3) Update section 10.2 to clarify and change the CSP duplicate registration resolution process.
