

Harmonizing Provisions of Governing Documents

(Includes Problem/Opportunity Statement)

Issue Source

PJM's General Counsel's Office identified this issue while reviewing concepts in the governing documents

Stakeholder Group Assignment

This issue will be assigned to a new Tariff Harmonization Senior Task Force, which will report to the Markets and Reliability Committee.

Key Work Activities

The Tariff Harmonization Senior Task Force shall:

1. Review current Tariff, Operating Agreement, Reliability Assurance Agreement and Manual 35 provisions related to:
 - Definitions
 - Indemnification
 - Limitation of liability
 - Alternative Dispute Resolution procedures
2. Identify and resolve inconsistencies.
3. Develop proposed governing document revisions.

Expected Deliverables

Proposed governing document revisions.

Expected Overall Duration of Work

This expected duration of work is 6 to 12 months.

Decision-Making Method

Tier 1 consensus (unanimity) on a single proposal is the expected decision-making method for this issue.
