

# System Operations Subcommittee Update

Rebecca Carroll  
Director, Dispatch  
Operating Committee  
October 8, 2020

- 2 High System Voltage Actions
- 1 Synchronous Reserve Event
  - September 9, 2020: unit loss
    - 10 minutes in duration
- 1 Shared Reserve Event
- 9 PCLLRWs
- 4 Non-Market PCLLRWs

- eDART
  - September 9, 2020 Release
  - December 2020 Enhancements
    - Nuclear Bus Voltage Limits
    - New Generator Outage Ticket Business Rules
      - Revisions to start date for active tickets
      - Revisions to reductions equal to ticket reduction (i.e. no change)
    - Awareness Only Transmission Outage Tickets
    - Reactive Reserve Check Enhancements
  - Other Discussion Topics
    - Combined eDART Forum and eDART XML Forum meeting on October 6
      - Materials available at <https://pjm.com/committees-and-groups/tech-change-forum/edart-forum>
    - Companies interested in using the Company Distributed Workflow (CDW) functionality should contact eDART team for set up requirements

- Emergency Procedures (EP) Enhancements
  - Framework Enhancements
    - Session timer with timeout (24 hours for EP users)
    - Theme changes from blue to gray
  - Region Tiering/Hierarchy
    - Functionality to display and apply the hierarchy that exists between regions in EP. E.g. AEP -> Western -> PJM RTO
  - User Profile & Preferences
    - Improved display of Profile page and new functionality to set up multiple profiles for Dashboard view and email notification preferences
  - PAI (Performance Assessment Interval) Display Enhancements
    - Enhancements to the PAI Guidance tabs based on feedback from the October 2019 PAI events
  - Release notes to be added to <https://pjm.com/markets-and-operations/etools/emerg-procedure.aspx>

- Dispatcher Training Subcommittee
  - PJM Transmission Certification Exam Update launched on September 30
    - Updated exam resource page in the Training section on [pjm.com](http://pjm.com)
  - 2020 Training Update
    - PJM has a variety of ways to provide training hours to members to meet the training and certification requirements:
      - Courses for credit through the Learning Management System (LMS)
      - Virtual sessions on a variety of operations and markets topics
      - Weekly session where instructors will be available to answer questions and provide additional clarification for individuals completing the online Generation and Transmission ITP
      - For companies interested in using the PJM LMS to deploy company-specific training to operators, please contact [TrainingSupport@pjm.com](mailto:TrainingSupport@pjm.com)

- 2020 eDART Annual Fuel Survey
  - Used for Operations and Planning purposes
  - Same survey as 2019
    - PJM will pre-populate answers with as much as possible
    - Verify answers haven't changed from last year
    - Populate any missing answers
  - Opens Monday, October 19 and closes Friday, November 20.
    - Will be sent to the GO contact listed in eDart
    - Notification of the survey will be sent to the SOS-J distribution list

**OC AGENDA OVERLAP**

- Manual Changes (03, 03A, 10, 14D)
- Pre-Winter Reactive Capability Acknowledgement
