eDART Browserless Refresh Update

- Phase 1, transition to PJMCLI, completed in eDART Training and Production
- Phase 2 = Minor enhancements and fixes; expected to be completed in eDART **Training on June 2** and **Production on June 16**
 - Updated XML documents: <https://pjm.com/pub/etools/edart/xml/docs/xmldoc.html>
 - May eDART XML Forum materials: <https://pjm.com/committees-and-groups/forums/edart-forum.aspx>
- An updated User's Guide and training will be provided for each phase <http://www.pjm.com/pub/etools/edart/xml/docs/dart-browserless-user-guide.pdf>
- The filetransfer.jar and legacy URLs will be retired in December 2021

External eDART Files to ZIP Conversion

- Conversion of eDART files (.txt and .csv) available on pjm.com to zip files in **July 2021**.
 - Files were designed to be read by users but several users are currently using programs to scrape the data.
 - Due to the size of some of the files, users receive only partial files when downloading the files from pjm.com.
 - Conversion to zip files will reduce the data transfer size for users.
 - No changes to the current files links expected.
 - Files are available via the Public Files report in eDART.
 - Information in some of the files also available via XML downloads in eDART.
