

# Planning Community Tool Update

Lauren Strella  
ARC Engineer, PJM  
Transmission Expansion Advisory  
Committee  
July 13, 2017

Special Planning Committee Sessions identified the following needs

### Tagging

Topic tracking through keyword searches

### Security

CEII/CIP information is kept confidential and secure

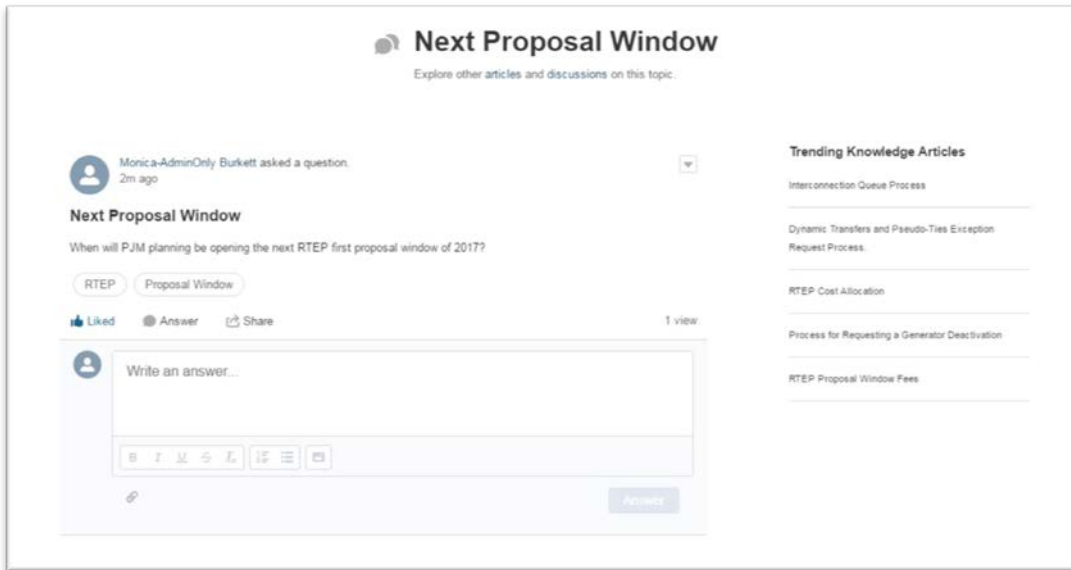

### Alerts and Notifications

Follow topics of interest, receive updates, and enhance awareness

## Transparency

Ensuring open communication and fairness of information.

“Up-voting” and other interactivity can bring visibility to relevant/popular topics and issues

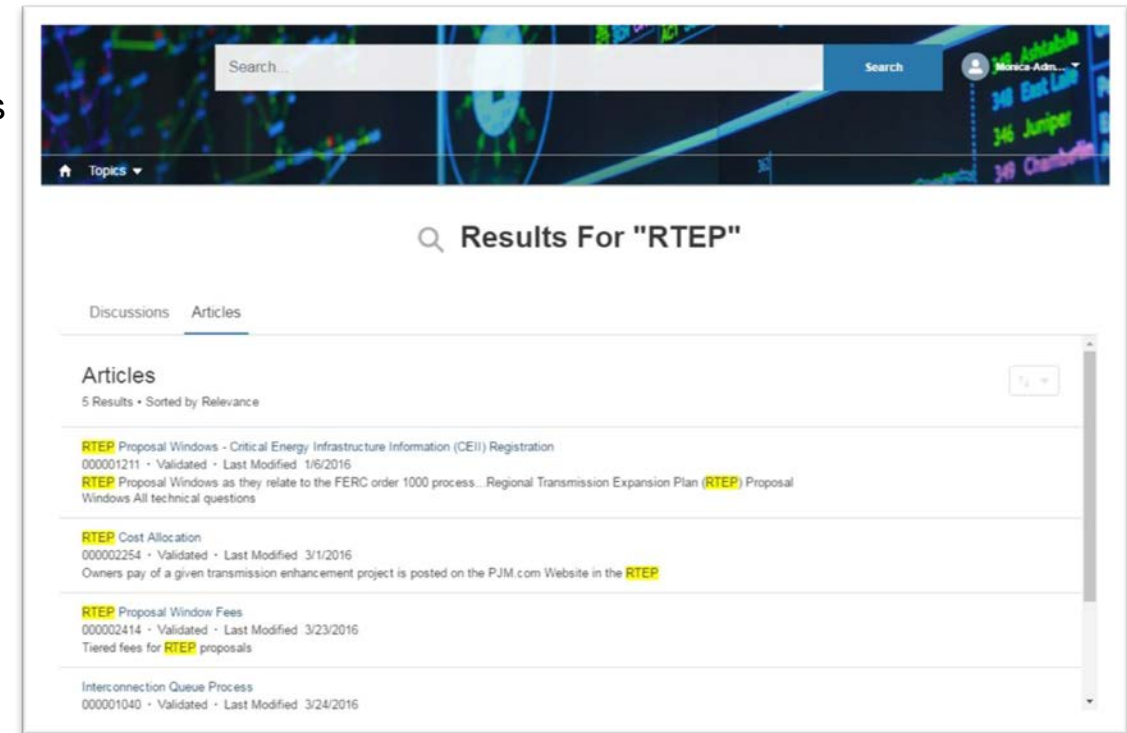

## Ease of Use

User-friendly to help efficient communication

## Information Articles

Detailed information for self-help on key topics.

- Planning Community Tool coming Q3 of 2017
- External testing to begin mid-July - [Requesting beta testers](#)
- Demo recording and external user guide creation
- Please send questions/feedback and to volunteer to be a beta tester to [RTEP@PJM.COM](mailto:RTEP@PJM.COM)
