Legend

- Start Date
- End Date

- Networks planned scheduled maintenance in December to renew the public certificate in Train and Production.
 - There could be a potential impact of up to 5 minutes for all the external facing applications during the change window.
 - Please install the provided Root and IA certificates in to the trust store by December 6 in Train and December 14 in Production to avoid any impact after the change.
 - Users who do not replace certificates will be unable to connect afterwards
