

## GT Power Group

GT Power Group is your one stop shop for PJM regulatory support. Not only do we offer you the ability to stay on top of PJM meetings and easily track pressing issues, but we also offer you insights and analysis that will help you get the answers you want and the information you need. With a combined century of experience with PJM issues, GT Power Group team members are ready to help you understand and follow the issue that matter to you at PJM. Our experts understand how to navigate the most challenging of PJM issues and provide you with informed strategies that are designed for success. We work closely with clients to understand their goals and seek to remove obstacles that can stand in their way. PJM rules are nuanced and constantly changing, and we are in the weeds and at the table every step of the way. Check us out at: <https://www.gtpowergroup.com/pjm-services/>
