COST DEVELOPMENT SUBCOMMITTEE

Dear Subcommittee Members:

RATE FOR COSTING STATION SERVICE ELECTRICAL REQUIREMENTS DURING UNIT START-UP

The new rate for costing station service electrical requirements during unit start-up has been changed from \$40.13/MWh to **\$33.77/ MWh**. Please use this rate in all unit start cost calculations during the **First Quarter of 2024**. This rate was obtained by calculating the average off-peak LMP for the 12-month period from December 2022 through November 2023.

Sincerely,
Heather Reiter
