**COST DEVELOPMENT SUBCOMMITTEE**

Dear Subcommittee Members:

**RATE FOR COSTING STATION SERVICE ELECTRICAL REQUIREMENTS DURING UNIT START-UP**

The new rate for costing station service electrical requirements during unit start-up has been changed from \$24.59/MWh to **\$29.38/MWh**. Please use this rate in all unit start cost calculations during the **Second Quarter of 2018**. This rate was obtained by calculating the average off-peak LMP for the 12-month period from March 2017 through February 2018.

Sincerely,  
Jennifer Warner-Freeman
