

Non-wholesale DER (BtMG) Observability

DER Subcommittee

6/29/18

- DERS requested manual changes for proposed solution be reviewed by DERS (don't wait for MRC)
 - Draft manual language posted and reviewed at 6/8/18 DERS (M-13 language not available at time of meeting)
 - PJM updated manual language (comments received to date and M-13 language not posted for 6/8 meeting) and posted early for 6/29 DERS meeting
 - All changes highlighted in yellow
 - PJM updated manual language and posted 6/29 (day of meeting) based on additional comments received to date
 - All changes highlighted in blue

- Manual language developed, reviewed and modified to build consensus at DEERS (don't wait for MRC to vote on proposal and then develop manual language later)
- Review proposal/manual language at other stakeholder meetings (as per DEERS request)
 - ✓ 6/5 – OC
 - 7/5 – SOS-T
 - 7/10 - OC
 - 7/18 – TOA-AC
