

FERC EQR Report Discussion

Market Settlements Subcommittee
January 27, 2015

- We have received a request to update the transaction end date format to be inclusive of last minute of interval
 - I.e. currently report 201404010000, request to change to: 201403312359

- Feedback is sought from the subcommittee as to how utilities are handling Net Energy Metering (NEM) and Net Excess Generation (NEG) in EQR reporting
