PJM’s Holiday extensions to Power Meter and InSchedule deadlines can be found at;  
<http://www.pjm.com/markets-and-operations/market-settlements/guides-forms.aspx>

\*Special Rules for Holidays falling back to back on a Thursday and Friday follow on the next slide

## Power Meter & InSchedule Submission Deadlines for 2 Day Holidays falling on Thursday and Friday

- In the event of a two day holiday falling on Thursday and Friday of the previous week:
  - Require Wednesday Power Meter data submitted no later than Monday at 12 PM
  - Require Wednesday InSchedule data to be submitted no later than Monday at 4PM

# Power Meter's Monthly Meter Correction Submission Deadline

Monthly Meter Submission UI becomes editable relative to the Accounting Deadline\* for the previous month.

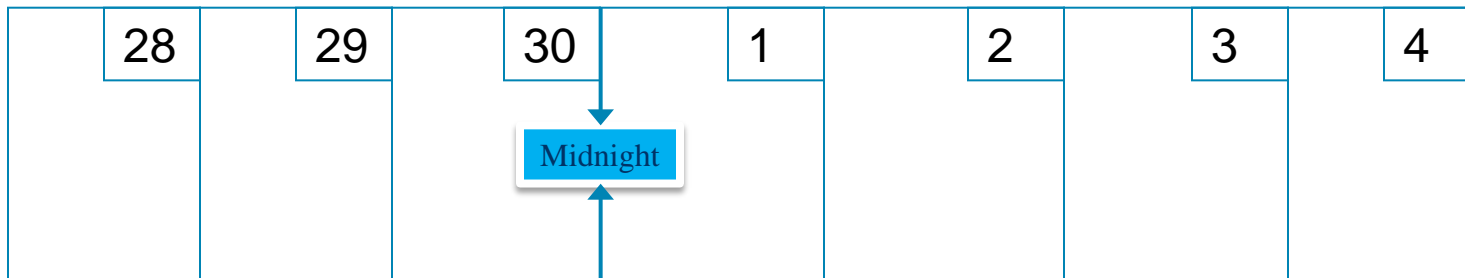

Monthly Meter Corrections are accepted through the last business day of the month. Submission UI Locks relative to the Accounting Deadline\* on the third Business day of the new month. For corrections after the third Business day, please email [mrkt\\_settlement\\_ops@pjm.com](mailto:mrkt_settlement_ops@pjm.com)

\* Accounting Deadline for Power Meter is 4 pm on Mondays and after PJM Holidays

PJM's Holiday extensions to Power Meter and InSchedule deadlines can be found at:

The deadline for Load Reconciliation submissions falls at the Midnight which ends the "two-month-later-lag"

For example, September's Recon Data has to be submitted prior to the Midnight which ends November 30<sup>th</sup> before December 1<sup>st</sup> begins

**\* Please note, the Load Recon Submission Deadline is not affected by "Holidays"**
