

2021 December Holiday Extension

John McComb, Market Settlements
Operations

Market Settlements Subcommittee
December 16, 2020

- Following the November 2020 MSS Meeting, PJM Settlements was contacted by a number of members asking that Thursday, 12/23/2021, be granted as an additional deadline holiday for PowerMeter and InSchedule submissions, while other members have asked for Monday, 12/27/2021, to be treated as a deadline holiday.
- The default work holiday automatically given, which is also a NERC Holiday is Christmas Eve, Friday, 12/24/2021.
- Thursday 12/23, and Monday, 12/27, cannot both be given as non-PJM holidays, as using both days would make processing settlements for Wednesday, 12/22, impossible relative to the 12/28 Weekly Bill release.
- Wednesday, 12/22, is a required part of the Month-to-Date Weekly Bill to be posted on the morning of Tuesday, 12/28.
