A screenshot of a Webex breakout session notification. The background is dark with white text. The text reads: "Breakout sessions have started" followed by "You're assigned to the Breakout session 1 session. You can join now, or you can join later from the participants list." Below the text, there are two buttons: "Join now" and "Join later". The "Join now" button is highlighted with an orange square. To the right of the screenshot, there is a white text box with a blue border containing the instruction: "Please be sure to hit the 'Join Session' on your screen when your prompted."
