

FERC Form No. 715
Part 4- Transmission Planning Reliability Criteria

City of Cleveland, Department of Public Utilities, Division of Cleveland Public Power

City of Cleveland, Department of Public Utilities, Division of Cleveland Public Power (“CPP”) is a transmission-owning member (“TO”) of PJM Interconnection (“PJM”). As a PJM TO, CPP adheres to PJM’s established planning criteria.

CPP is also a registered Transmission Owner (NCR00712) with Reliability First Corporation (“RFC”), one of the Regional Entities operating under the direction of the North American Electric Reliability Corporation (“NERC”). As a registered Transmission Owner, CPP is expected to comply with the applicable reliability standards developed and enforced by NERC and RFC.
